front of a lab without ever putting down the wrench?

Truckee Meadows Community College (TMCC) is the "jobs college" for Northern Nevada and is on the lookout for a passionate, hands-on, high horsepower Tenure-Track Diesel Instructor to join our elite team of educators in the Applied Technologies Division. Put your teaching into high gear. Whether you're looking to pass down your hard-earned knowledge or level up your career with tenure and teaching, this is your shot to make a difference one diesel tech at a time. Teaching experience is a bonus, but not required. If you've trained new techs in the field, you're halfway there!

Minimum Qualifications

1. Three (3) years of employment in diesel/auto technology, or a comparable combination of education and work experience.

Preferred Requirements

1. Associates degree or higher from a regionally accredited institution In a Career-related field.
2. Formal training/experience in the following areas:
 - a. Engines
 - b. Drive Train
 - c. Brakes
 - d. Suspension Steering
 - e. Electrical/Electronic Systems
 - f. Heating, Ventilation, A/C
3. ASE Certification as Master or equivalent training in Automotive or Medium/Heavy Truck.
4. Six (6) years journeyman level employment in auto/diesel technology.
5. The equivalence of one (1) year of full-time secondary teaching experience in auto/diesel technology.

6. Understanding of career-technical education and programs.
7. Knowledge of the local and national job market requirements for a successful career in auto/diesel technology.
8. Obtain ASE within 6 months of hire.

What You'll Be Doing:

- Teaching future diesel techs how to troubleshoot, repair, and rebuild everything from heavy-duty trucks to off-road equipment.
- Developing cutting-edge curriculum that keeps up with industry trends.
- Bringing the classroom to life with real-world insight, industry humor, and a healthy respect for grease.
- Collaborating with a team of gearhead geniuses and academic pros to keep our program the best in the region.
- Staying sharp and certified with professional development and keeping an eye on the next evolution in diesel tech.

Academic Responsibilities:

Teaching and workload assignments are scheduled throughout the calendar year, and may require evening and weekend obligations at one or more college locations.

1. Teach 30 (15/15) credit or contact hours during the academic year, August through May, in various modalities as assigned, including in-person, hybrid, online, live-virtual (hy-flex), and at high-school sites (Jump-Start dual credit), per the needs of the program.
2. Support student learning outcomes assessment processes by teaching toward approved student learning outcomes and assessing student performance.
3. Assist with curriculum and program review, revision, and assessment. Aid in the development of new course materials and innovative instructional techniques that improve student learning.
4. Work closely with department peers and administrators to become an effective teacher and contributing member of the academic unit.

5. Attend and actively participate in College events, department and division meetings, college or Nevada System of Higher Education (NSHE) committees, and community service activities.
6. Engage in ongoing professional development to stay current in field knowledge and pedagogies that expand breadth and depth of understanding in the discipline.
7. Complete training outlined in TMCC's Faculty Standards of Online Instruction, when and as needed.
8. Hold 5 office-hours per week.
9. Participate in student advising, recruitment, and retention efforts.
10. Travel occasionally to community and workforce sites, conferences, events, and so on, per the needs of the program.
11. Communicate and interact in a professional and collegial manner with faculty, students, staff, and administration, in the best interests of the college and the people it serves.
12. Comply with departmental administrative responsibilities and published college and NSHE policies and procedures.
13. Uphold the Mission, Vision, and Values of TMCC and perform assigned duties in a manner consistent with them.
14. Adhere to the published codes of NSHE as detailed in the Board of Regents Handbook.
15. Adhere to the Code of Ethical Standards of the State of Nevada (Nevada Revised Statutes 281A.400-281A.480).
16. Other duties as assigned.

Truckee Meadows Community College is a comprehensive educational institution located in Reno, Nevada and is part of the Nevada System of Higher Education. TMCC's five instructional sites and numerous community locations serves an increasingly diverse population of more than 11,000 students each semester. TMCC, an HSI (Hispanic Serving Institution), is a progressive institution that celebrates inclusion and diversity while supporting core themes of academic excellence, student success, and access to lifelong learning.

A vital leader in the New Nevada's growing economy, TMCC is located near the beautiful Sierra Nevada Mountains in an environment rich with a thriving arts, culture, food scene, abundant outdoor activities, and a family-friendly local community. It is only a 3.5 hour drive to San Francisco, CA, a 40-minute drive to Lake Tahoe, and within easy driving distance of four national parks (Great Basin, Yosemite, Lassen, and Death Valley). For more information, please go to www.tmcc.edu or view our virtual tour at tour.tmcc.edu.

The Nevada System of Higher Education (NSHE) is committed to providing a place of work and learning free of discrimination on the basis of a person's age, disability, whether actual or perceived by others (including service-connected disabilities), gender (including pregnancy related conditions), military status or military obligations, sexual orientation, gender identity or expression, genetic information, national origin, race, or religion.
