Location:

Grayslake Campus

Total Hours Per Week:

5

Job Description:

- Teach courses in discipline, as scheduled each academic semester, using a variety of student centered, culturally relevant instructional methods to support diverse learning styles and student needs.
- Meet all classes at assigned location and times. If unable to meet an assigned class reports absence to supervisor and academic division staff in an appropriate manner.
- Develop, revise, and maintain instructional materials, course content, and syllabi that align with departmental standards and student learning outcomes.
- Observe and evaluate student performance through assignments, exams, discussions, and projects. Provide timely and constructive feedback.
- Support student retention and success by identifying at-risk students, providing instructional support, and referring students to appropriate college services.
- Be available for student consultation through phone or email.
- Use approved College standardized system(s) to provide students and the division with a syllabus that includes course objectives, learning outcomes, attendance policies, required materials, timelines, and evaluation criteria.
- Deliver course content using inclusive teaching strategies and incorporate instructional technology, including the Learning Management System (LMS) and other digital tools.
- Encourage and review student course evaluations to improve teaching effectiveness and course delivery.
- Maintain accurate and timely records for grading, attendance, and other required documentation. Submit grades and related records by established deadlines. Produces appropriate grade and course records for supervisor upon request.
- Uphold academic integrity policies and address violations in accordance with college guidelines. Uses the appropriate college policies and procedures to resolve and document student concerns.

- Participate in college governance, division and departmental meetings, and, when appropriate, program advisory boards and committees.
- Attend required Adjunct meetings in the Fall and Spring semesters and complete all required compliance trainings (e.g., Title IX, Clery Act).
- Engage in professional development to stay current in instructional methods, academic discipline, and institutional policies.
- Collaborate with colleagues on curriculum planning, assessment, and instructional improvement.
- Maintain a high level of professional ethics and conduct all classes in accordance with college policies and approved instructional materials.
- Maintain a safe and organized classroom/laboratory environment by adhering to safety protocols, properly storing equipment and materials, and resetting lab/classroom for next class session (if applicable).
- Perform other duties as assigned by the Dean or Associate Dean.

Requirements: Welding Fabrication Technology (WFT) - EGRDV

- Associate's degree and American Welding Society (AWS) certification and at least 10,000 hours of experience in the Welding industry;
- OR an A.A.S. in Welding and American Welding Society (AWS) Welding Certification and 6,000 or more hours of experience in the Welding industry;
- OR a High School diploma, AWS welding certification and 14,000 or more hours of Welding experience

Per Load Hour Compensation Schedule

2025 -2026 - \$1,373

2026 -2027 - \$1,414
