Austin Community College is a public two-year institution that serves a multicultural population of approximately 41,000 credit students each Fall and Spring semester. We embrace our identity as a community college, as reflected in our mission statement. We promote student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training, including appropriate applied baccalaureate degrees, in our service area.

As a community college committed to our mission, we seek to recruit and retain a workforce that:

- Values intellectual curiosity and innovative teaching
- Is attracted by the college's mission to promote equitable access to educational opportunities
- Cares about student success and collaborates on strategies to facilitate success for populations including; first generation college students, low-income students, and students from underserved communities.
- Focused on student academic achievement and postgraduate outcomes
- Welcomes difference and models respectful interaction with others
- Engages with the community both within and outside of ACC

Job Posting Title:

Adjunct Faculty - Surgical Technology

Job Description Summary:

Responsible for preparing and delivering surgical technology coursework in engaging, innovative, and discipline-appropriate ways that reflect a commitment to student success, an understanding of culturally responsive teaching, and knowledge of the teaching field. Meets professional standards for faculty in accordance with college policies and procedures.

Job Description:

Responsible to prepare and deliver surgical technology coursework in engaging, innovative, and discipline-appropriate ways that reflect a commitment to student success and creating an environment

that promotes belonging for all and knowledge of the teaching field. Meets professional standards for faculty in accordance with college policies and procedures.

Principal Responsibilities and Duties

- Prepare and teach courses in the field of surgical technology to a multicultural student population based on the department's approved course learning outcomes, utilizing a variety of instructional strategies appropriate to the needs of community college students and the standards of the discipline.
- Evaluate student progress and provide clear, timely feedback reflecting program learning outcomes and departmental expectations.
- Provide teaching and mentoring services to students in a manner which does not discriminate based on race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, protected veteran status, political affiliation, or other protected categories.
- Remain current in the field through a variety of professional development activities.
- Perform other related tasks as assigned by the department chair, dean, and/or associate vice chancellor, vice chancellor, executive vice chancellor.

Additional Duties

- Supervise students at clinical site.

Technology

- Demonstrated proficiency using computer applications, online resources, and other technologies for the classroom.
- Demonstrated proficiency using an online learning management system such as Blackboard to develop and build course content and perform administrative duties (posting office hours, syllabi, etc.)

Principal Professional Standards

- Appropriate use of the college's learning management system.

- Meet deadlines for attendance certification and submission of final course grades.
- Participate in graduation, general assembly, and other official college functions.
- Maintain regular office hours to assist students and improve student retention and success.
- Attend and participate in collegewide, campus, department, or other activities and meetings.
- Recognize and reflect standards of civility and collegiality in all interactions.
- Comply with published college policies and procedures and meet professional standards for teaching in a community college.

Required Education

- Educational requirements in accordance with SACSCOC accreditation standards. See Faculty Credentials at www.austincc.edu/facstaff/faculty-credentials. No substitution for educational requirements.

Required Work Experience

In accordance with Southern Association of College and Schools Commission on Colleges (SACSCOC) and Commission on Accreditation of Allied Health Education Programs (CAAHEP) requirements:

- Associate Degree in Surgical Technology and 3 years non-teaching, operating room scrub role, work experience with a minimum total of 2 years of experience, either in the operating room scrub role or as an instructor in surgical technology, or a combination of both, within the last 5 years.

SACSCOC requirements may differ depending on courses taught within the discipline.

Other Requirements

- Possess a credential in the field of surgical technology through a national certification program that is accredited by the National Commission on Certifying Agencies (NCAA). The only surgical technology-specific credentials that are accredited by the NCAA are the Certified Surgical Technologist (CST) credential and the joint Certified Surgical Technologist/Certified Surgical First
