Description

Equity and Diversity

The District is strongly committed to achieving staff diversity and the principles of equal opportunity employment. The District encourages a diverse pool of applicants and does not discriminate on the basis of race, color, national origin, ancestry, sex, age, religion, marital status, disability, or sexual orientation in any of its policies, procedures or practices. In fact, the college encourages applications from all segments of qualified people.

Closing Date

This position will close on January 30th, 2026 at 11:59 PM (or when 150 applications are received, whichever occurs sooner).

College Profile

Cerritos College is ranked 14th among the top 100 schools with the highest Hispanic enrollment in the United States by the United States Department of Education. Cerritos College serves as a comprehensive community college for southeastern Los Angeles County. Communities within the college's district include Artesia, Bellflower, Cerritos, Downey, Hawaiian Gardens, La Mirada, Norwalk, and portions of Bell Gardens, Lakewood, Long Beach, Santa Fe Springs and South Gate. Cerritos College offers degrees and certificates in more than 180 areas of study in nine divisions. Enrollment currently averages 20,000 students. Visit Cerritos College online at http://www.cerritos.edu.

Department Profile

The Division of Science, Engineering, and Mathematics (SEM) is committed to promoting equity, providing service excellence, and ensuring student success as we guide students in investigating and understanding the world in which we live. The Division offers degree programs, certificates, and courses in a variety of disciplines across six departments-biology; chemistry; computer and information sciences; earth sciences; mathematics; and physics, astronomy, and engineering. The Division's rigorous programs of study prepare students to seamlessly transfer into a four-year course of study or to successfully start a career in the workforce. Programs and courses are offered in a variety of formats, including traditional on-campus, hybrid, and fully online sections. In addition to courses at our main campus in Norwalk, we offer classes at multiple educational sites in the area. The SEM Division provides effective, experiential learning environments in the sciences, engineering, and mathematics at the highest standards by using the latest technology in our state-of-the-art laboratories and learning spaces.

The Mathematics Department at Cerritos College is thoroughly committed to fostering student success and expanding access to college-level mathematics through innovative lectures and laboratory instruction. Our comprehensive curriculum supports diverse academic pathways, including teacher trac, dual enrollment for high school students, and foundational requirements for all majors across the campus, with course offerings ranging from Statistics and Liberal Arts Mathematics to College Algebra, Trigonometry, Precalculus, and the full Calculus sequence, including Linear Algebra and Differential Equations. The Math Department believes that an effective department is one that: (1) provides instruction that enables high rates of retention and student success; (2) creates new and relevant curriculum to support student learning; (3) offers equitable access to students; (4) fosters collaboration through mentorship and professional growth among both part-time and full-time faculty; and (5) promotes a growth mindset that empowers students to master complex concepts.

Distinguishing Career Features

This is a 10-month tenure-track contract position.

Job Duties

ALL FACULTY SHALL:

- Maintain currency with current information, concepts, laws and ideas in their disciplines and with best practices in teaching and learning.
- Check mailbox, voicemail, and e-mail regularly.
- Complete the checkout form before leaving campus at the end of the academic term.
- Maintain student confidentiality as required by regulation and Board Policy 5040 titled Student Records and Directory Information.

ALL FULL-TIME FACULTY SHALL:

- Participate in committee work, student activities, and shared governance activities as appropriate.
- Attend first-year and second-year staff development workshops during the first and second years of employment at Cerritos College.
- Attend department and division meetings.
- Attend commencement ceremonies.
- Assist the Department Chairperson and Instructional Dean in unit planning, budget preparation, and inventory.
- Develop and implement a "Flex Plan" as required by state regulations.
- All full-time faculty who are assigned classes shall: Post and maintain at least three scheduled

office hours per week on at least three different days, including the final examination period. Office hours may not be scheduled between 11:00 a.m.-12:30 p.m. on Tuesday and Thursday.

ALL FACULTY WHO ARE ASSIGNED CLASSES SHALL:

- Teach all assigned classes unless excused under provisions of Board Policy.
- Teach all assigned classes for all scheduled minutes. In cases of necessary absence from class, notify the Instructional Dean or designee, or if unavailable, the Office of Academic Affairs in advance and have plans prepared so that a substitute, if assigned, can maintain continuity of course content.
- Teach courses in accordance with the course outlines of record.
- Provide opportunities for students to be aware of their progress.
- Submit a copy of the syllabus for each class to the Division Office.
- Keep accurate records of student enrollment, attendance, and academic progress and submit them to appropriate offices by the published deadlines.
- Submit end-of-session grades, including supporting documentation, and attendance reports by the published deadlines.
- Submit required information about first-day, no-show students by the published deadlines.
- Submit textbook order information by the published deadlines. If the textbook is electronic or includes an electronic course pack, these conditions must be met:
 - 1. Tests and exams must be available to the student without charge.
 - 2. The text and course pack must be available to students with disabilities.
 - 3. The publisher must grant read-only access to designated college staff for purposes of evaluation of course materials.
 - 4. The text must be downloadable or printable.
 - If these four conditions are not met, the electronic textbook cannot be used.
- Meet all classes during the final examination period.
- Give final examinations at the scheduled time unless approval to do otherwise is granted by the Office of Academic Affairs or its designee.
- Keep all corrected final examination papers for at least one year following the close of the semester or summer term.
- Maintain a safe learning environment in classrooms, laboratories, and other instructional spaces.
- Allow the instructional manager and/or Instructional Dean, upon request, to review any assignments given during the semester.

Minimum Qualifications

Downloaded On: Dec. 23, 2025 4:13am
Posted Dec. 22, 2025, set to expire Jan. 30, 2026

Master's in mathematics or applied mathematics OR Bachelor's in either of the above AND Master's in statistics, physics or mathematics education OR the equivalent.

Understanding of and sensitivity to meeting the needs of the diverse academic, socioeconomic, cultural, disability, gender identity, sexual orientation, and ethnic background of the student, community, and employee population.

Preferred Qualifications

- Educational and teaching experience in a variety of Math courses, including (but not limited to) statistics, college algebra, trigonometry, precalculus, and calculus.
- Direct community college teaching experience, demonstrating an understanding of the mission to serve diverse, open-access student populations.
- Proficiency in integrating modern instructional technology and mathematical software to create interactive, accessible learning environments
- A willingness to serve on college-wide committees, faculty governance, and student mentorship initiatives.

Supplemental Information

Physical Demands

Physical requirements may be met with or without reasonable accommodations. Requires ambulatory ability to move to various office and classroom-type locations. Ability to operate classroom equipment, including computer, and provide instruction and make presentations. Ability to communicate effectively with individuals or groups to carry on complex or routine conversations. Requires the ability to lift, push, and pull objects of medium weight (less than 30 lbs.) on an occasional basis.

Salary/Fringe Benefits

Salary is commensurate with education and experience.

Salary rate is: \$87,785 - \$134,792/annual.

Health and welfare benefits include District contribution for medical/dental/vision benefits and employee life insurance (\$50,000). (Cash-in-lieu option available on medical insurance.)

Participation in the State Teachers' Retirement System.

Conditions of Employment

This is a tenure-track contract position. Contract will be for 10 school months for the academic year beginning fall semester 2026.

Participation in a pre-service orientation and/or probationary in-service training is required.

Please note: Per Board Policy 7210 "A bachelor's degree or the equivalent, from an accredited educational institution, shall be the minimum degree requirement for *obtaining tenure* as a faculty member in the District. The Board of Trustees reserves the right to determine whether a faculty member shall be granted tenure."

Individual who is offered employment shall be required to obtain fingerprints for a criminal history clearance through the State Department of Justice and remit the required fee for processing the fingerprints, produce an original social security card, and submit negative TB test results (must be within the past four years or within the last 60 days if not previously employed in a school district in California) before employment.

Proof of eligibility to work in the United States and signing of loyalty oath per Government Codes 3100-3109.

** Please note - the District does not provide for immigration sponsorships such as H1B Visas.

Candidates must be able to provide proof of California residency prior to employment.

Application Procedure

It is the applicant's responsibility to provide copies of all transcript(s) verifying all educational degree(s) and/or coursework required for the position. Transcripts must be from regionally accredited institutions. A foreign transcript must be evaluated by a NACES certified agency. The website address is www.naces.org.

Downloaded On: Dec. 23, 2025 4:13am
Posted Dec. 22, 2025, set to expire Jan. 30, 2026

Selection Procedure

Following the closing date, application materials will be evaluated by a selection committee. Candidates selected for further consideration will be limited to those applicants in the competitive group who best meet the qualifications for the position. Interviews will then be conducted by the selection committee, and finalists will be recommended for further consideration by the President-Superintendent for final selection and recommendation for employment. The selection process may also include practical exercises (i.e., teaching demonstration and/or other written, technical, manipulative, or simulation exercises) to evaluate candidates' qualifications.

As these are highly competitive positions, meeting the minimum requirements does not guarantee an interview. If you have questions or would like to follow-up regarding your application, please contact Human Resources at HR@Cerritos.edu as search committee members are unable to discuss specific recruitments.

Required Documents

- Cover Letter (Please provide a 1-2 page cover letter describing your teaching experience, your
 experience integrating technology in the classroom and/or online, and specific examples of your
 teaching practices to support the success of a diverse student population)
- 2. Resume/CV
- 3. Copy of Unofficial Transcripts (Must show all coursework completed and conferral date of the degree)
