Job Description

Instruct classes in Geography as assigned.

The successful candidate must meet one of the following criteria:

1. Master's degree or higher in geography from an accredited college or university; OR
2. Bachelor's degree in geography AND a Master's degree or higher in geology, history, meteorology, or oceanography from an accredited college or university; OR
3. Valid California Community College instructor credential appropriate to the subject per Education Code 87355 (issued prior to July 1, 1990); OR
4. A combination of education and experience that is at least the equivalent of items 1 or 2 above. (Applicants applying on the basis of equivalency must complete all Equivalency questions on their application in addition to all other required materials).
