does not provide clinical services during Intersession and Summer Session. Under the supervision and direction of the Director of Student Services & Wellness, performs an expanded role in the delivery of episodic health care and health promotion with a team, which may include a Registered Nurse, Medical Director, Medical Assistant, Mental Health Counselors, Crisis Support/Care Manager, and an Office Assistant. Position requires extensive clinical skills in health assessment, diagnosis, treatment, counseling and referral, as well as an ability to work independently under the indirect supervision of the Medical Director, utilizing written protocols as guidelines. Direction for clinic operations will also be provided by the Director of Student Health & Wellness Services.

The instructor's assignment will include the following:

- Performs practitioner level examinations and clinical assessment of physical and mental status of patients; accurately diagnoses conditions and formulates an effective plan of treatment and preventive health measures, within the established clinic protocols.
- Treats patients on an appointment and triage basis during regular clinic hours.
- Provides gynecological services, including pelvic examinations, STI testing, evaluation, treatment, education, pregnancy tests, and family planning counseling.
- Orders, interprets, and evaluates diagnostic tests to identify and assess patient's clinical problems and health care needs; establishes treatment or therapeutic plans as appropriate.
- Dispenses medications and administers immunizations as appropriate, according to the clinic protocols.
- Accurately, appropriately, and promptly documents all physical findings, nursing assessments, and interventions. Discusses cases with physician and other health professionals to prepare comprehensive patient care plans.
- Provides appropriate emergency response for the District, including but not limited to administering first aid, crisis intervention, assistance with emergency transportation, and appropriate referral.
- Assists the Director of Student Health & Wellness Services in planning, developing, and implementing a comprehensive program, including current standards of practice in medicine, lab licensing, hazardous waste management, Family PACT billing, report writing, and outreach to students and employees regarding health topics, resources, and services.
- Participates in department quality assurance activities including, but not limited to, chart review, follow-up of abnormal exams and/or laboratory findings, required reporting, and review of written client materials.
- Requests MD phone consultation for advice and refers patients to physician or to specialized health resources for treatment that is beyond the scope of the Nurse Practitioner or Student
