The Foothill - De Anza Community College District does not have a remote work policy. All employees are expected to be available to work in person and on-site per the requirement of the department.

Foothill - De Anza Community College District Mission Statement:

The mission of the Foothill-De Anza Community College District is student success. We are driven by an equity agenda and guided by core values of excellence, inclusion, and sustainability. Every member of our district contributes to a dynamic learning environment that fosters student engagement, equal opportunity, and innovation in meeting the various educational and career goals of our diverse students. We are committed to providing an accessible, quality undergraduate education dedicated to developing a broadly educated and socially responsible community that supports an equitable and just future for California.

Foothill College Mission Statement:

Embracing inclusivity and building strong communities, Foothill College serves diverse learners and equips its students with critical thinking skills to address complex societal challenges, to thrive in the global workforce, and to engage in a life of inquiry.

POSITION PURPOSE:

Reporting to the Dean of Student Affairs and Activities at Foothill College, provides equity-minded and student-centered leadership for the student health services clinic. The responsibilities of the Faculty Clinic Director, Health Services include but are not limited to: oversight of clinic operations, providing guidance and leadership to staff; planning, developing and implementing comprehensive health care services and activities designed to facilitate the physical and emotional well-being of students thereby improving retention and academic success. This is an 11-month, full-time, 100% FTE tenure track position (September-July).

NATURE and SCOPE:

The Faculty Clinic Director, Health Services is responsible for monitoring the program budget and plans, developing and implementing a comprehensive program for clinical health services, including current standards of practice in medicine, nursing, and functional staff management, licensed lab and hazardous waste management, and insurance issues; oversees the day-to-day operations of student health services clinic and staff. Establishing training procedures for new employees.

KEY DUTIES and RESPONSIBILITIES:

The following duties and responsibilities are typical but not limited to the following:

1. Provides coordination of Student Health Services, health services programs, and services to ensure delivery in accordance with district policies and procedures. Oversees and administers electronic medical records; serves as college point-person and vendor liaison for all matters related to Electronic Medical Records (EMR) systems; ensure confidentiality of medical information and student records according to FERPA and HIPAA.
2. Formulates policies, clinical protocols, standards and objectives of the program, and serves on the Behavioral Intervention Team.
3. Reviews and orders medication, medical supplies, equipment, and ensures that all equipment is available in good working order and calibrated per manufactures guidelines, including emergency response equipment.
4. Assess, diagnose, and treat common physical illnesses and injuries within scope of practice. Makes appropriate referrals and facilitates access to private and community health resources. Leads disease prevention efforts and implements current community health principles of health, safety, epidemiology, and communicable disease control. Prescribe medications within scope of practice.
5. Perform health services and screenings, administer PPD tests, immunizations, flu shots; perform pregnancy tests, provide health-related counseling, and administer ECP; refill birth control prescriptions, and other contraceptives.
6. Assist the Dean with developing and preparing the annual preliminary budget; control and authorize expenditures in accordance with established limitations for the department's health clinic component.
7. Assist Dean with information on federal/state agencies reporting as requested; ensure program compliance with federal or state program guidelines.
8. Partner with Dean on departmental and divisional planning activities, program review activities, learning outcome activities, and compile statistics and conduct research to evaluate and report program effectiveness.
9. Interpret, implement, and monitor compliance with all local, state, and federal regulations pertaining to a health care delivery system. Collaborate with the Biological, Health, and Environmental Sciences Division and the Child Development Center to assist students with immunizations and other medical needs.
10. Serve as liaison between personnel, administrators, faculty, and students; provide information, requirements, and other pertinent information.
11. Serve as a resource and consultant to the campus community in issues related to student health and student clinical health services.
12. In conjunction with a physician, develop, implement, and evaluate health clinic policies, procedures, and protocols; document policies and procedures; maintain an updated and current policy and procedure manual.
