Yes

Basic Function/Overview:

ABOUT THE DEPARTMENT:The Biological Sciences Department is one of the largest and most diverse on campus. This department offers a wide array of classes, including Anatomy and Physiology, Histotechnology, Microbiology, Public Health, Cell and Molecular Biology, and subjects such as Humans and the Environment, Anthropology, and Ecology and Field Biology. The department consists of 20 full-time faculty, 4 lab technicians, and over 50 adjunct faculty. The Biological Sciences Department is an inclusive faculty representing a diversity of genders, education, ethnicities, religions, and sexual orientations. The mission of the Department is to provide the highest quality education for our diverse student population in an environment that is inclusive and conducive to learning. The department's resources include modern lecture classrooms and teaching laboratories, as well as special facilities such as the cadaver lab, Wildlife Sanctuary, B.J. Meek collection, Biology Department Museum, and a specimen pond. Besides preparing students to transfer to four-year institutions, we have a successful vocational program in Histotechnology and will soon be offering a bachelor's degree in Histotechnology.

OVERVIEW:Primarily teach lecture and lab courses in Anatomy and Physiology as well as other courses in the Biological Sciences.

Essential Duties & Responsibilities

1. Teach courses in the disciplines for which the candidate meets Minimum Qualifications or the equivalent.
2. Teach assigned courses in accordance with course outline of record.
3. Instruct and support students with diverse backgrounds utilizing culturally relevant pedagogy, careful preparation of course materials, effective teaching methods including for online instruction, informed critical feedback on assignments and discussions, student learning outcomes, and support a philosophy of instruction focusing on critical thinking and analysis.
4. Maintain scheduled office and campus hours, and participate in department/division meetings and committees.
5. Perform related duties as assigned, including timely compliance with administrative responsibilities and College, division, and department policies.
6. Late afternoon and/or evening assignments may be required as part of the regular contract.
7. Demonstrate effective oral and written communication with students.
8. Demonstrate a commitment to educating a racially and socioeconomically diverse student population.
9. Participate in departmental and college governance activities through committee service and/or

other appropriate activities to maintain and improve the instructional program and to provide service to the college.

10. In close cooperation with other discipline faculty, participate in the design, evaluation, revision, and development of culturally relevant curriculum, courses, and/or degrees.
11. Primarily teach lecture and lab courses in Human Anatomy and Physiology as well as other courses in the Biological Sciences.
12. Participate in curriculum development, learning outcome development and assessment.
13. Participate in appropriate professional development activities and maintain current knowledge in the subject matter area and effective teaching and learning strategies.

Minimum Qualifications:

A. The minimum of one of the following awarded/conferred from a regionally accredited institution:

1. Masters in any biological science; **OR**
2. Bachelors in any biological science **AND** Masters in biochemistry, biophysics, or marine science; **OR**
3. The equivalent (please request an equivalency review in the application), **OR**
4. California Community College credential, "Valid for Life" (no longer issued), authorizing service as an instructor in the appropriate discipline; refer to Ed Code 87355 (If meeting qualifications with this credential, a copy of the valid lifetime credential must be submitted with the application.).

AND

B. Commitment to the community college goals/objectives of providing quality programs and services for students with diverse abilities and interests; personal qualities to work effectively and sensitively in a multicultural environment; awareness and commitment to the special needs of non-traditional students.

Preferred Qualifications:

License(s) & Other Requirements:

The incumbent may periodically be required to travel to a variety of locations. If operating a vehicle, employees must have the ability to secure and maintain a valid California drivers license.

Health & Welfare:

discipline requires a masters degree as part of the minimum qualifications and therefore will be placed on the Academic Salary Schedule Track when calculating Initial Salary Placement. **Per Appendix A.4.i of the faculty collective bargaining agreement**, the district shall, at the time of initial salary schedule placement, determine whether the newly employed professor shall be placed on the Academic or Vocational salary schedule track.

Official offers of employment are made by Mt. San Antonio College Human Resources and are made contingent upon Board approval. It is also required that a final offer of employment will only be made after the candidate has successfully been live scanned and clearance for employment is authorized by Human Resources. Costs for live scan services shall be borne by the candidate.

Notice to all prospective employees - The person holding this position is considered:

1. A mandated reporter under the California Child Abuse and Neglect Reporting Act and is required to comply with the requirements set forth in Administrative Procedure 3518, titled Child Abuse Reporting, as a condition of employment; **and**
2. An employee with Actual Knowledge under Title IX of the Educational Amendments Act of 1972 and is required to report to the Colleges Title IX Coordinator all relevant details reported to them about an incident of alleged sexual misconduct including sexual harassment, sexual assault, dating and domestic violence and stalking.

As required by the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, the Mt. San Antonio Community College Annual Security Report is available here:

<https://www.mtsac.edu/safety/pdf/asr-final-2021.pdf>.

Special Notes:

A confirmation number will be assigned when your application packet indicates the supplemental questions have been answered and a document has been attached to each required link. Assistance with the online application process is available through Human Resources at 1100 N. Grand Avenue, Walnut, CA 91789-1399. Human Resources: (909) 274-4225. E-mail: employment@mtsac.edu.

DO NOT include photographs or any personal information (e.g. D.O.B, place of birth, etc.) on your application or supporting documents.

LONG DISTANCE TRAVEL FOR INTERVIEWS: Should you be invited to an interview, please contact our office to discuss an accommodation option if attending the interview would require you to travel in

excess of 150 miles one way from your residence.

Application Procedure:

First Review of Applications: Complete application packets will be accepted until the position is filled; however, **applications submitted by 11:59 p.m. (PT) on the above listed Initial Screening Date are assured consideration.**

Applicants must submit all of the following materials online, unless otherwise noted, at the [Mt. SAC Employment Website](#) to be considered for this position:

1. A Mt. San Antonio College online application.
2. A cover letter describing how the applicant meets the required education and experience.
3. A detailed rsum that summarizes educational preparation and professional experience for the position.
4. College and/or university transcripts showing the awarded/conferred degree are required and must be submitted with the online application by all applicants, including current or former employees of the college to demonstrate that the required educational qualifications are met. Unofficial transcripts are acceptable at the time of application; however, copies of diplomas are not accepted in lieu of transcripts.

Foreign Transcripts:

Transcripts issued outside the United States require a course-by-course analysis with an equivalency statement from a certified transcript evaluation service verifying the degree equivalency to that of an accredited institution within the USA. **This report must be attached with the application and submitted by the filing deadline.** Accredited evaluation agencies can be found on the [National Association of Credential Evaluation Services Website](#).
