Job Description:

Class specifications are intended to present a descriptive list of the range of duties performed by employees in the class. Specifications are not intended to reflect all duties performed within the job.

SUMMARY DESCRIPTION

Under general supervision, provides word processing and other computer operation services in support of the assigned grant funded program; performs a variety of administrative office support duties of a general or specialized nature; and provides information and assistance to students, faculty, staff, and the general public. May provide training and work direction to student workers if assigned.

DISTINGUISHING CHARACTERISTICS

This class is distinguished from similar classifications in that the position assigned to this class is categorically funded, not financed by District funds. The incumbent works with students and faculty to implement the activities of a grant program. Duties include assisting faculty and classified staff by performing word processing and other administrative support functions that further the goals of the grant program and support division-wide activities and duties.
