The Foothill - De Anza Community College District does not have a remote work policy. All employees are expected to be available to work in person and on-site per the requirement of the department.

Foothill - De Anza Community College District Mission Statement:

The mission of the Foothill-De Anza Community College District is student success. We are driven by an equity agenda and guided by core values of excellence, inclusion, and sustainability. Every member of our district contributes to a dynamic learning environment that fosters student engagement, equal opportunity, and innovation in meeting the various educational and career goals of our diverse students. We are committed to providing an accessible, quality undergraduate education dedicated to developing a broadly educated and socially responsible community that supports an equitable and just future for California.

Foothill College Mission Statement:

Embracing inclusivity and building strong communities, Foothill College serves diverse learners and equips its students with critical thinking skills to address complex societal challenges, to thrive in the global workforce, and to engage in a life of inquiry.

DUTIES AND RESPONSIBILITIES OF THE POSITION INCLUDE:

Instruct community college physics courses to a diverse student population. Courses range from conceptual introductory physics to modern physics. Revise and develop curriculum as it relates to the discipline, including multicultural perspectives and contributions where appropriate. Design, prepare and teach hands-on laboratory activities involving analysis of data.

Standard duties expected of all faculty include development and evaluation of curricula, maintaining scheduled office hours, attending department and division meetings, pursuing professional growth activities, performing public outreach, and performing other duties consistent with the role of an instructor. Instructors also can serve on district and college committees and participate in campus extra-curricular activities. We are looking for a dynamic educator who is sensitive to students' different educational needs.

MINIMUM QUALIFICATIONS:

1. Understanding of, sensitivity to, and respect for the diverse academic, socio-economic, ethnic, religious, and cultural backgrounds, disability, and sexual orientation of community college students, faculty and staff.

2. Master's degree in physics, astronomy or astrophysics **OR** Bachelor's degree in physics or astronomy **AND** Master's degree in engineering, mathematics, meteorology, or geophysics **OR** the equivalent.

PREFERRED QUALIFICATIONS:

1. Ability to use instructional methods that reflect cultural sensitivity and to effectively teach a diverse student population.
2. Recent experience teaching physics at the two year college, four year college, or university level.
3. Knowledge and understanding of current practices in Physics Education Research.
4. Ability and willingness to continuously improve instructional quality and enhance the learning process.
5. Ability to communicate clearly both orally and in writing.
6. Familiarity with the use and application of equipment and technology to physics and physics education in both the classroom and laboratory.

WORKING CONDITIONS:

Environment:

1. Indoor, office environment.

Physical Abilities:

(Applicants should perform these physical abilities with or without reasonable accommodations)

1. Hearing and speaking to exchange information.
2. Vision sufficient to read various materials.
3. Dexterity of hands and fingers to perform the tasks required of the position.
4. Regularly stand, walk, and sit for extended periods of time.
5. Bending at waist, kneeling, or crouching.
6. Reaching overhead, above the shoulders, and horizontally.
7. Lifting and carrying objects up to 20 lbs.

APPLICATION PACKET:

1. A District on-line application to be completed at <http://hr.fhda.edu/careers/>*In the application, you will provide information, which demonstrates your understanding of, sensitivity to, and respect for the diverse academic, socio-economic, ethnic, religious, and cultural backgrounds, disability, and sexual orientation of community college students, faculty and staff. **Additionally**, you will be asked to explain how your life experiences, studies or work have influenced your commitment to diversity, equity and inclusion.
2. A cover letter detailing your background and experience, skills, and abilities as they relate to the minimum and preferred qualifications of this position.
3. A current resume of all work experience, formal education and training.
4. A list of all relevant physics courses taught in the past three years, along with a brief course description, name of the institution, dates, and an indication of role (e.g. teaching assistant, instructor of record).

If you wish to request equivalency for this position (if you believe you do not otherwise meet minimum qualifications via educational degree attainment as specified), you may submit the Request for Equivalency form. This form will need to be submitted with your application packet. You may either scan a hard copy of this form with your application packet or submit it as a Word document with your application packet. http://hr.fhda.edu/_downloads/Equivalency.pdf

Applicants will be REQUIRED to submit transcripts for salary placement purposes. Applicants who have international transcripts must obtain transcripts that are evaluated by an independent educational-equivalency evaluation company and obtain an English translation (if necessary). These services are to be done at the applicant's expense.

If any required application materials are omitted, the committee will not review your application packet. Application materials not required (including reference letters) for this position will not be accepted. For full-consideration, all application packets must be received by 11:59 pm on the closing date.

Please allow yourself ample time to complete your application and resolve any technical difficulties that may arise with your submission. We do not guarantee a response to application questions within 48 hours of the closing date. You may also visit our "Applicant Information"
