Austin Community College is a public two-year institution that serves a multicultural population of approximately 41,000 credit students each Fall and Spring semester. We embrace our identity as a community college, as reflected in our mission statement. We promote student success and community development by providing affordable access, through traditional and distance learning modes, to higher education and workforce training, including appropriate applied baccalaureate degrees, in our service area.

As a community college committed to our mission, we seek to recruit and retain a workforce that:

- Values intellectual curiosity and innovative teaching
- Is attracted by the college's mission to promote equitable access to educational opportunities
- Cares about student success and collaborates on strategies to facilitate success for populations including; first generation college students, low-income students, and students from underserved communities.
- Focused on student academic achievement and postgraduate outcomes
- Welcomes difference and models respectful interaction with others
- Engages with the community both within and outside of ACC

Job Posting Title:

Specialist, Instructional Communications

Job Description Summary:

To help develop, implement, and manage faculty communications channels to promote engagement in an effort to increase student success. This position serves as the lead writer and copy editor for Instruction to foster effective, consistent, and timely internal communications relevant to ACC faculty and the Instructional Division in support of the college's mission to reach and engage with its culturally diverse employees.

Job Description:

Description of Duties and Tasks

Essential duties and responsibilities include the following. Other duties may be assigned.

- Develops, writes, and distributes a range of internal communications to increase awareness of instructional initiatives among faculty.

- Plans, writes, and manages faculty communications channels, including weekly email newsletter, communication archive, executive reports, social media, and blog.
- Reviews and edits final drafts of instructional publications. Ensures writing is easy to read and fits the publication's editorial style. Ensures that articles are written in accordance with college style guide and other guides that dictate writing standards, such as tense, voice, or spelling of certain words.
- Assists with editing and updating major instructional publications such as TLED website, ACC Catalog, Faculty Handbook, and Student Success reports.
- Assists instructional leadership with developing, writing, and editing annual reports, presentations, and high-priority publications.
- Contacts writers' sources and conducts online research as needed.
- Uses data and feedback from the audience to help evaluate and enhance the value of instructional publications and websites.

Knowledge

Must possess required knowledge and be able to explain and demonstrate, with or without reasonable accommodations, that the essential functions of the job can be performed.

- Knowledge of strategic communication principles and current best practices.
- Demonstrated knowledge of corporate communication practice including planning and execution.
- Thorough knowledge of technical writing and editing for print and web.
- Advanced knowledge of editorial style guides and plain language principles.
- Familiarity with online communications and client tools including web content management systems, broadcast email marketing tools, and social media networking.
- Expertise in use of English grammar, punctuation, and syntax.
- The ability to present the college in a positive way to diverse, multicultural communities.

Skills

Must possess required skills and be able to explain and demonstrate, with or without reasonable accommodations, that the essential functions of the job can be performed.

- Maintaining an established work schedule, including some evenings and weekends.
